02 - I Love To Hate You

[Erasure]

I'm crazy flowing over with ideas
A thousand ways to woo a lover so sincere
Love and hate what a beautiful combination
Sending shivers up and down my spine

For every Casanova that appears
My sense of hesitation disappears
Love and hate what a beautiful combination
Sending shivers up and down my spine

And the lovers that you sent for me
Didn't come with any satisfaction guarantee
So I return them to the sender
And the note attached will read:

How I love to hate you
I love to hate you
I love to hate you
I love to hate you

Oh you really still expect me to believe
Every single letter I receive
Sorry you what a shameful situation
Sending shivers up and down my spine

Uh! I like to read a murder mystery
I like to know the killer isn't me
Love and hate what a beautiful combination
Sending shivers make me quiver
Feel it sliver up and down my spine

=====

03 - A Little Respect

[Erasure]

I try to discover
A little something to make me sweeter
Oh baby refrain from breaking my heart

I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard
That you give me no
That you give me no
That you give me no
That you give me no
Soul, I hear you calling
Oh baby, please give a little respect to me

And if I should falter
Would you open your arms out to me
We can make love not war
And live at peace with our hearts

I'm so in love with you
I'll be forever blue
What religion or reason
Could drive a man to forsake his lover
Don't you tell me no
Don't you tell me no
Don't you tell me no
Don't you tell me no
Soul, I hear you calling
Oh baby please give a little respect to me

04 - Blue Savannah

[Erasure]

Blue Savannah song
Oh blue Savannah song

Somewhere 'cross the desert
Sometime in the early hours
Feel a restless world
On the open highways
 My home is where the heart is
 Sweet to surrender to you only
 I send my love to you

Racing 'cross the desert
At a hundred miles an hour
To the orange side
Through the clouds and thunder
 My home is where the heart is
 Sweet to surrender to you only
 I send my love to you

I'm on my way back and your love will bring me home
I'm travelling fast and your love will bring me home
Will I discover that your love will bring me home?
Will I discover that your love will bring me home? (Yeah!)

Somewhere 'cross the desert
Sometime in the early hours
To the orange side
Through the clouds and thunder
 My home is where the heart is
 Sweet to surrender to you only
 I send my love to you... (2X)

Oh Savannah song
To you only
I send my love to you
Oh Savannah song
To you only, to you only...

05 - It's A Sin

(Tennant/Lowe)

[Pet Shop Boys]

When I look back upon my life
It's always with a sense of shame
I've always been the one to blame

For everything I long to do
No matter when or where or who
Has one thing in common, too

It's a, it's a, it's a, it's a sin, it's a sin
Everything I've ever done
Everything I've ever do
Every place I've ever been
Everywhere I'm going to
It's a sin

At school they taught me how to be
So pure in thought and word and deed
They didn't quite succeed

For everything I long to do
No matter when or where or who
Has one thing in common, too

(refrain)

Father, forgive me, I tried not to do it
Turned over a new leaf, then tore right through it
Whatever you taught me, I didn't believe it
Father, you fought me, 'cause I didn't care and I still don't understand

(Confiteor Deo omnipotenti vobis fratres, quia peccavi nimis cogitatione, verbo, opere et omissione, mea culpa, mea culpa, mea maxima culpa)

[trans. "I confess to almighty God, and to you my brothers, that I have sinned exceedingly in thought, word, act and omission, through my fault, through my fault, through my most grievous fault"]

=====

06 - Take on me

[Ah-Ha]

Talking away, I don't know what I'm to say, I'll say it anyway
Today's another day to find you
Shine away; I'm coming for your love okay
 Take on me (take on me), take me on (take on me)
 I'll be gone in a day or two

So needless to say at odds and ends
But I'll be stumbling away
Slowly learning that life is okay
Say after me
It's so much better to be safe than sorry
 Take on me (take on me), take me on (take on me)
 I'll be gone in a day or two

Oh, things that you say
Yeah, is it life or just a play, my worries away
You're all the things I've got to remember
You shine away
I'll be coming for you anyway
 Take on me (take on me), take me on (take on me)
 I'll be gone in a day or two

Take on me...

07 - Karma Chameleon

[Culture Club]

(???)

Desert loving in your eyes all the way
If I listen to your lies would you say
I'm a man without conviction,
I'm a man who doesn't know
How to sell a contradiction,
You come and go, you come and go

Karma karma karma karma karma chameleon
You come and go, you come and go
Loving would be easy if your colors were like my dream
Red gold and green, red gold and green

Didn't hear your wicked words every day
And you used to be so sweet, I heard you say
That my love was an addiction,
When we cling our love is strong
When you go you're gone forever,
You string along, you string along

Every day is like survival
You're my lover, not my rival
Every day is like survival
You're my lover, not my rival

=====

08 - Always on My Mind

Christopher/Thompson/James

[Pet Shop Boys]

Maybe I didn't treat you quite as good as I should have
Maybe I didn't love you quite as open as I could have
Little things I should have said or done
I just never take the time

You were always on my mind

Maybe didn't hold you all those lonely, lonely times
And, I guess, I never told you I'm so happy that you're mine
If I made you feel sad, I confess,
Girl, I'm sorry, I was blind

You were always on my mind

Tell me that your sweet love hasn't died
Give me one more chance to keep you satisfied

09 - Sweet Dreams

[Marilyn Manson - Eurythmics]

Sweet dreams are made of this.
Who am I to disagree?
I Travel the world and the seven seas.
Everybody's looking for something.

Some of them want to use you.
Some of them want to get used by you.
Some of them want to abuse you.
Some of them want to be abused.

Hold your head up, movin' on.
Keep your head up, movin' on.

I'm gonna use you and abuse you.
I'm gonna know what's inside.
Gonna use you and abuse you.
I'm gonna know what's inside you.

10 - Enjoy the Silence

[Depeche Mode]

Words like violence
Break the silence
Come crashing in
Into my little world
Painful to me
Pierce right through me
Can't you understand?
Oh my little girl

All I ever wanted
All I ever needed
Is here in my arms
Words are very
Unnecessary
They can only
Do harm

Vows are spoken
To be broken
Feelings are intense
Words are trivial
Pleasures remain
So does the pain
Words are meaningless
And forgettable

11a - LULU - Tempos Modernos

(Lulu Santos)

[Lulu Santos]

Eu vejo a vida melhor no futuro
Eu vejo isso por cima de um muro
De hipocrisia que insiste em nos rodear

Eu vejo a vida mais clara e farta
Repleta de toda satisfação
Que se tem direito do firmamento ao chão

[solo]

Eu quero crer no amor numa boa
Que isso valha pra qualquer pessoa
Que realizar a força que tem uma paixão

Eu vejo um novo começo de era
De gente fina, elegante e sincera
Com habilidade pra dizer mais sim do que não, não, não

Hoje o tempo voa, amor
Escorre pelas mãos
Mesmo sem se sentir
Não há tempo que volte, amor
Vamos viver tudo que há pra viver
Vamos nos permitir

11b - Toda Forma de Amor

(???)

[Lulu Santos]

Eu não pedi pra nascer
Eu não nasci pra perder
Nem vou sobrar de vitima
Das circunstancias
Eu tô plugado na vida
Eu tô curando a ferida
Às vezes eu me sinto
Uma bala perdida

[solo]

Você é bem como eu
Conhece o que é ser assim
Só que dessa historia
Ninguém sabe o fim
Você não leva pra casa
E só faz o quer
Eu sou seu homem
Você é minha mulher

E a gente vive junto
E a gente se dá bem
Não desejamos mal a quase ninguém
E a gente vai a luta
E conhece a dor
Considerando justa
Toda forma de amor.

11c - O Último Romântico

(Lulu Santos / Antônio Cícero / Sérgio Souza)

[Lulu Santos]

Faltava abandonar a velha escola
Tomar o mundo feito coca-cola
Fazer da minha vida sempre o meu passeio público
E ao mesmo tempo fazer dela o meu caminho só, único

[solo]

Talvez eu seja o último romântico
Dos litorais desse Oceano Atlântico...
Só falta reunir a zona norte à zona sul
Iluminar a vida já que a morte cai do azul...

Só falta te querer, te ganhar e te perder
Falta eu acordar, ser gente grande prá poder chorar...

Me dá um beijo, então
Aperta a minha mão
Tolice é viver a vida
Assim, sem aventura...

Deixa ser
Pelo coração
Se é loucura então
Melhor não ter razão...

Oh! Oh! Oh! Oh! Oh!

12 - Sonífera Ilha

[Titãs]

(Branco Mello / Marcelo Fromer / Tony Bellotto / Ciro Pessoa / Carlos Barmack)

Não posso mais viver assim ao seu lado

Por isso colo o meu ouvido no rádio

De pilha

Prá te sintonizar

Sozinha

Numa ilha...

Sonífera ilha

Descansa meus olhos

Sossega minha boca

Me enche de luz

[2X]

14 - Além do Horizonte

(Roberto Carlos, Erasmo Carlos)

[Jota Quest]

Além do horizonte deve ter
Algum lugar bonito pra viver em paz
Onde eu possa encontrar a natureza
Alegria e felicidade com certeza

Lá nesse lugar o amanhecer é lindo
Com flores festejando mais um dia que vem vindo
Onde a gente pode se deitar no campo
Se amar na relva escutando o canto dos pássaros

Aproveitar a tarde sem pensar na vida
Andar despreocupado sem saber a hora de voltar
Bronzear o corpo todo sem censura
Gozar a liberdade de uma vida sem frescura

Se você não vem comigo
Nada disso tem valor
De que vale o paraíso sem o amor

Se você não vem comigo
Tudo isso vai ficar
No horizonte esperando por nós dois

Além do horizonte existe um lugar
Bonito e tranquilo
Pra gente se amar

15 - Erva venenosa

[Rita Lee]

(Jerry Leiber - Mike Stoller - versão: Rossini Pinto)

Parece uma rosa
De longe é formosa
É toda recalçada
Alegria alheia incomoda

Venenosa eh eh eh eh eh
Erva venenosa
É pior do que cobra cascavel
Seu veneno é cruel

De longe não é feia
Tem voz de uma sereia
Cuidado não a toque
Ela é má pode até te dar um choque

Venenosa
Erva venenosa
É pior do que cobra cascavel
Seu veneno é cruel

Se porta como louca
Achata bem a boca
Parece uma bruxa um anjo mau
Detesta todo mundo
Não para um segundo
Fazer maldade é seu ideal

Como um cão danado
Seu grito é abafado
É vil e mentirosa
Deus do céu como ela é maldosa

16 - Se você pensa

(Roberto Carlos/Erasmu Carlos)

[Jota Quest]

Se você pensa que vai fazer de mim,
O que faz com todo mundo que te ama
Acho bom saber que pra ficar comigo, vai ter que mudar

Você tem a vida inteira pra viver
E saber o que é bom e o que é ruim
É melhor pensar depressa e escolher antes do fim

Daqui pra frente tudo vai ser diferente,
Você tem que aprender a ser gente
O seu orgulho não vale nada

Você não sabe e nunca procurou saber
Que quando a gente ama pra valer
O bom é ser feliz e mais nada

17 - Descobridor Dos Sete Mares

(Gilson - Michel)

Uma luz azul me guia com a firmeza e os lampejos do farol
E os recifes lá de cima me avisam dos perigos de chegar
Angra dos Reis e Ipanema, Iracema, Itamaracá
Porto Seguro, São Vicente, braços abertos sempre a esperar

Pois bem cheguei
Quero ficar bem à vontade
Na verdade eu sou assim
Descobridor dos sete mares
Navegar eu quero

Uma lua me ilumina com a clareza e os brilhos do cristal
Transando as cores desta vida vou colorindo a alegria de chegar
Boa Viagem, Ubatuba, Grumari, Mengo, Guarujá
Praia Vermelha, Ilha Bela, braços aberto sempre a esperar

(refrão)

18 - Olhar 43

(???)

[R.P.M]

Seu corpo é fruto proibido, é a chave de todo pecado, e da libido,
E prum garoto introvertido como eu é a pura perdição

É um lago negro o seu olhar, é água pura de beber, se envenenar
Nas tuas curvas derrapar, sair da estrada, e morrer no mar. (no mar)

É perigoso o seu sorriso, é um sorriso assim jocoso, impreciso,
Diria misterioso, indecifrável, riso de mulher

Não sei se é caça ou caçadora, se é Diana ou Afrodite, ou se é Brigitte,
Stephanie de Mônaco, aqui estou inteiro ao seu dispor. (princesa)

Pobre de mim, invento rimas assim pra você
E um outro vem em cima, e você nem pra me escutar

Pois acabou, não vou rimar coisa nenhuma, agora vai como sair
Eu já não quero nem saber se vai caber ou vão me censurar. (será?)

E pra você eu deixo apenas meu olhar 43 aquele assim meio de lado,
Já saindo, indo embora, louco por você. (que pena)

Que desperdício...! (tesão)

19 - Billie Jean

[Michael Jackson]

She Was More Like A Beauty Queen From A Movie Scene
I Said Don't Mind, But What Do You Mean I Am The One
Who Will Dance On The Floor In The Round
She Said I Am The One Who Will Dance On The Floor In The Round

She Told Me Her Name Was Billie Jean, As She Caused A Scene
Then Every Head Turned With Eyes That Dreamed Of Being The One
Who Will Dance On The Floor In The Round

People Always Told Me Be Careful Of What You Do
And Don't Go Around Breaking Young Girls' Hearts
And Mother Always Told Me Be Careful Of Who You Love
And Be Careful Of What You Do
'Cause The Lie Becomes The Truth

Billie Jean Is Not My Lover
She's Just A Girl Who Claims That I Am The One
But The Kid Is Not My Son
She Says I Am The One,
But The Kid Is Not My Son

For Forty Days And Forty Nights The Law Was On Her Side
But Who Can Stand When She's In Demand Her Schemes And Plans
'Cause We Danced On The Floor In The Round
So Take My Strong Advice, Just Remember To Always Think Twice
(Do Think Twice)

She Told My Baby That's A Threat As She Looked At Me
Then Showed A Photo Of A Baby Cries Eyes Would Like Mine
Go On Dance On The Floor In The Round, Baby

People Always Told Me Be Careful Of What You Do
And Don't Go Around Breaking Young Girls' Hearts
She Came And Stood Right By Me
Then The Smell Of Sweet Perfume
This Happened Much Too Soon
She Called Me To Her Room

20a - Stayin' Alive

[Bee Gees]

Well, you can tell by the way I use my walk,
I'm a woman's man: no time to talk.
Music loud and women warm,
I've been kicked around since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand
The New York Time's effect on man.

Whether you're a brother or whether you're a mother,
You're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
And we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,
and if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.
You know it's all right. It's OK.
I'll live to see another day.
We can try to understand
the New York Time's effect on man.

Life goin' nowhere. Somebody help me.
Somebody help me, yeah.
Life goin' nowhere.
Somebody help me, yeah!
...Stayin' alive.

20b - Night fever

(???)

[Bee Gee's]

Listen to the ground // There is movement all around.
There is something goin' down // And I can feel it.
On the waves of the air // There is dancin' out there.
If it's somethin' we can share // We can steal it.

And that sweet city woman, // She moves through the light,
Controlling my mind and my soul.
When you reach out for me, Yeah, and the feelin' is bright,

Then I get night fever, night fever.
We know how to do it.
Gimme that night fever, night fever.
We know how to show it.

Here I am, // Prayin' for this moment to last,
Livin' on the music so fine, // Borne on the wind, // Makin' it mine.

(refrão)

In the heat of our love,
Don't need no help for us to make it.
Gimme just enough to take us to the mornin'.
I got fire in my mind.
I got higher in my walkin'.
And I'm glowin' in the dark;
I give you warnin'.

And that sweet city woman, // She moves through the light,
Controlling my mind and my soul.
When you reach out for me, Yeah, and the feelin' is bright,

(refrão)

Here I am, // Prayin' for this moment to last,
Livin' on the music so fine, // Borne on the wind, // Makin' it mine.

(refrão)

21a - Love Is In The Air

[John Paul Young]

(Harry Vanda - John Paul Young)

Love is in the air, ev'rywhere I look around
Love is in the air, ev'ry sight and ev'ry sound
And I don't know if I'm being foolish,
Don't know if I'm being wise
But is something that I must believe in
And it's there when I look in your eyes

Love is in the air, in the whisper of the trees
Love is in the air, in the thunder of the sea
And I don't know if I'm just dreaming,
Don't know if I feel sane
But it's something that I must believe in
And it's there when you call out my name

Love is in the air, love is in the air, oh oh

Love is in the air, in the rising of the sun
Love is in the air, when the day is nearly done
And I don't know if you are illusion,
Don't know if I see it's true
But you're something that I must believe in
And you're there when I reach out for you

Love is in the air, ev'rywhere I look around
Love is in the air, ev'ry sight and ev'ry sound
And I don't know if I'm being foolish,
Don't know if I'm being wise
But it's something that I must believe in
And it's there when I look in your eyes

Love is in the air, love is in the air, oh oh (4 times)

21b - Dancing Queen

[Abba]

You can dance, you can jive, having the time of your life
See that girl, watch that scene, dig in the Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come in to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scene, dig in the Dancing Queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

You are the Dancing Queen, young and sweet, only seventeen
Dancing Queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scene, dig in the Dancing Queen

22a - I Will Survive

(Dino Fekaris - Freddie Perren)

[Gloria Gaynor]

At first I was afraid I was petrified
Keep thinkin' I could never live without you by my side;
But then I spent so many nights
Thinking how you did me wrong
And I grew strong
And I learn how to get alone

And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I had known for just one second you'd back to bother me

Go on now, walk out the door
Just turn around now
Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did You think I crumble
Did you think I'd lay down and die?
Oh no, not I. I will survive
Oh as long as I know how to love I know I'll stay alive;
I've got all my life to live,
I've got all my love to give and I'll survive,
I will survive. Hey hey.

It took all the strength I had not to fall apart
Kept trying' hard to mend the pieces of my broken heart,
And I spent oh so many nights
Just feeling sorry for myself. I used to cry
But now I hold my head up high
And you see me somebody new
I'm not that chained up little person still in love with you,
And so you feel like droppin' in
And just expect me to be free,
Now I'm savin' all my loving for someone who's loving me

Go on now.. etc.

22b - Can't Take My Eyes Off Of You

(Crewe/Gaudio)

You're just too good to be true
I can't take my eyes off of you
You'd be like heaven to touch
I want to hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
I can't take my eyes off of you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel
Then let me know that is real
You're just too good to be true
I can't take my eyes off of you

I love you babe and if it's quite all right
I need you babe to warm my lonely nights
I love you babe thrust in me when I say
I love you babe don't let me down I pray
Oh pretty babe, now that I found you stay
And let me love you babe, let me love you...

22c - Dancin' Days

(Nelson Motta - Ruban)

[Lulú Santos]

Abra as suas asas

Solte suas feras

Caia na gandaia

Entre nessa festa

Me leve com você

No seu sonho mais louco

Eu quero ver seu corpo

Lindo, leve e solto

A gente, às vezes sente, sofre,

Dança sem querer dançar

Na nossa festa vale tudo

Vale ser alguém como eu, como você

Dance bem ,dance mal, dance sem parar

Dance bem, dance até sem saber dançar

=====

23 - O meu sangue ferve por você

[Sidney Magal]

(???)

Teu, todo teu
Minha, toda minha
Juntos, essa noite
Quero te dar todo meu amor

Toda, Minha vida (siiiiimm)
Eu te procurei (nanananana)
Hoje, sou feliz,
Com você que é tudo o que sonhei

Ahhhh, eu te amo
Ahhhh, eu te amo meu amor
Ahhhh, eu te amo
E o meu sangue ferve por você

Você me enlouquece
Você é o que quero
Eu sou prisioneiro
Prisioneiro desse seu amor

Toda, Minha vida (siiiiimm)
Eu te procurei (nanananana)
Hoje, sou feliz,
Com você que é tudo o que sonhei

[REFRÃO 3X]

=====

24a - We are the champions

[Queen]

(???)

I've paid my dues
Time after time
I've done my sentence
But committed no crime

And bad mistakes
I've made a few
I've had my share of sand kicked in my face
But I've come through
(And I need to go on and on, and on, and on)

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions
Of the world

24b - Radio ga ga

(???)

[Queen]

Radio... Radio...

I'd sit alone and watch your light
My only friend through teenage nights
And everything I had to know
I heard it on my radio

You gave them all those old time stars
Through wars of worlds invaded by Mars
You made them laugh, you made them cry
You made us feel like we could fly (Radio)

So don't become some background noise
A backdrop for the girls and boys
Who just don't know or just don't care
And just complain when you're not there

You had your time, you had the power
You've yet to have your finest hour
Radio (Radio)

All we hear is Radio ga ga
Radio goo goo
Radio ga ga
All we hear is Radio ga ga
Radio blah blah
Radio, what's new?
Radio, someone still loves you

25 - This love

(Carmichael/Levine)

[Marron 5]

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye as she got on a plane
Never to return again but always in my heart

This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice
Cause I won't say goodbye anymore

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

[Refrain]

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
(it's alright, it's alright)
My pressure on your hips
Sinking my fingertips
Every into inch of you
Cause I know that's what you want me to do

[Refrain]

26 - Treasure

(???)

[Bruno Mars] F#m

Baby squirrel, you's a sexy motherfucker

Give me your, give me your, give me your attention, baby
I gotta tell you a little something about yourself
You're wonderful, flawless, ooh, you're a sexy lady
But you walk around here like you wanna be someone else

(Oh whoa-oh-oh)

I know that you don't know it, but you're fine, so fine
(fine, so fine)

(Oh whoa-oh-oh)

Oh girl, I'm gonna show you when you're mine, oh mine
(mine, oh mine)

Treasure, that is what you are
Honey, you're my golden star
You know you can make my wish come true
If you let me treasure you (2X)
(Whoa-oh-oh-h-h-h)

Pretty girl, pretty girl, pretty girl, you should be smiling
A girl like you should never look so blue
You're everything I see in my dreams
I wouldn't say that to you if it wasn't true

(refrain)

You are my treasure (3X)
Yeah, you, you, you, you are

27 - Locked Out Of Heaven

[Bruno Mars] F#

(???)

One, two, one, two, three

Oh, yeah, yeah... Oh, yeah, yeah, yeah, yeah,

Never had much faith in love or miracles
Never wanna put my heart on the line
But swimming in your water is something spiritual
I'm born again every time you spend the night

'Cause your sex takes me to paradise
Yeah, your sex takes me to paradise
And it shows, oh, oh, oh, yeah, yeah, yeah

'Cause (Yeah) you make me feel like
I've been locked out of heaven
For too long... For too long
[2X]

Oh, yeah, yeah... Oh, yeah, yeah, yeah, yeah,

You bring me to my knees, you make me testify
You can make a sinner change his ways
Open up your gates 'cause I can't wait to see the light
And right there is where I wanna stay

(refrain)

Oh, oh, oh, oh, yeah, yeah, yeah
Can I just stay here?
Spend the rest of my days here?

28 - The promise

(???)

[When in Rome]

If you need a friend, // don't look to a stranger,
You know in the end, // I'll always be there.

And when you're in doubt, // and when you're in danger,
Take a look all around, // and I'll be there.

I'm sorry, but I'm just thinking of the right words to say.

(I promise)

I know they don't sound the way I planned them to be.

(I promise)

But if you'll wait around a while, I'll make you fall for me,

(I promise you)

I promise, I promise you, I will.

When your day is through, // and so is your temper,
You know what to do, // I'm gonna always be there.

Sometimes if I shout, // it's not what's intended.

These words just come out, // with no gripe to bear.

[1st Refrain]

I'm sorry, but I'm just thinking of the right words to say.

(I promise)

I know they don't sound the way I planned them to be.

(I promise)

And if I had to walk the world, I'd make you fall for me,

I promise, I promise you, I will.

I gotta tell ya, I need to tell ya, I gotta tell ya, I gotta tell yaaaa ...

[1st and 2nd Refrain]

I will... I will... I will...

29 - The Time of My Life

[Bill Medley-Jennifer Warnes]

Now I've had the time of my life, no I never felt like this before
Yes, I swear, it's the truth and I owe it all to you
'Cause I've had the time of my life and I owe it all to you
I've been waiting for so long
Now I've finally found someone to stand by me
We saw the writing on the wall as we felt this Magical Fantasy
Now with passion in our eyes
There's no way we could disguise it secretly
So we take each other's hand 'cause we seem to understand the urgency
Just remember
You're the one thing I can't get enough of
So I'll tell you something: this could be love because

I've had the time of my life
No I never felt this way before
Yes, I swear, it's the truth
And I owe it all to you... (Hey baby!)

With my body and soul I want you more than you'll ever know
So we'll just let it go, don't be afraid to lose control... no
Yes I know what's on your mind
When you say "Stay with me tonight" (it can be me)
Just remember
You're the one thing I can't get enough of
So I tell you something: this could be love because

I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
Till I've found the truth
And I owe it all to you

30 - What's On Your Mind

[Information Society]

(???)

Here I am in silence
Looking round without a clue
I find myself along again
All alone with you

I can see behind your eyes
The things that I don't know
If you hide away from me
How can our love grow?

I want to know
What you're thinking
There are some things you can't hide
I want to know
What you're feeling
Tell me what's on your mind

I know I could break you down
But what good would it do?
I could surely never know
That what you say is true

Here I am in silence
It's a game I have to play
You and I in silence
With nothing else to say

[Refrain]

31 - Like A Prayer

[Madonna]

When you call my name, it's like a little prayer
I'm down on my knees, I wanna take you there
In the midnight hour, I can feel your power
Just like a prayer, you know I'll take you there

I hear your voice; it's like an angel sighing
I have no choice; I hear your voice, feels like flying...
I close my eyes, Oh God I think I'm falling
Out of the sky, I close my eyes, heaven help me...

[Refrain]

Like a child, you whisper softly to me
You're in control, just like a child, now I'm dancing...
It's like a dream, no end and no beginning
You're here with me, it's like a dream, let the choir sing...

[Refrain]

Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like home

Just like a prayer, your voice can take me there
Just like a muse to me, you are a mystery
Just like a dream, you are not what you seem
Just like a prayer, no choice your voice can take me there

Just like a prayer, I'll take you there
It's like a dream to me

32 - Please, don't go

(H.W. CASEY and R. FINCH)

Babe, I love you so
I want you to know
That I'm going to miss your love
The minute you walk out that door

So please don't go. Don't go, Don't go away
Please don't go, Don't go. I'm begging you to stay

If you leave, At least in my lifetime
I've had one dream come true
I was blessed to be loved
By someone as wonderful as you

(Chorus)

Hey, hey, hey, I need your love
I'm down on my knees
Beggin' please, please, please
Don't go, Don't you hear me baby
please don't go, Don't leave me now

Oh, no, no, no, no
Please don't go
I want you to know
That I, I, I, love you so

Don't leave me baby,
Please don't go

33 - Never gonna give you up

[Rick Astley]

(???)

We're no strangers to love
You know the rules // and so do I

A full commitment's what I'm // thinking of
You wouldn't get this from // any other guy

I just wanna tell you how I'm feeling
Gotta make you // understand

Never gonna give you up,
Never gonna let you down
Never gonna run around and // desert you
Never gonna make you cry,
Never gonna say goodbye
Never gonna tell a lie // and hurt you

We've known each other // for so long
Your heart's been aching but // you're too shy to say it

Inside we both know what's been // going on
We know the game and we're // gonna play it

And if you ask me how I'm feeling
Don't tell me you're too // blind to see

[refrain] 2X

(Ooh give you up) [2X]
Never gonna give (give you up) [2X]

34 - Livin' La Vida Loca

[Ricky Martin]

She's into superstitions
Black cats and voodoo dolls
I feel a premonition
That girl's gonna make me fall

She's into new sensations
New kicks in the candle light.
She's got a new addiction
For every day and night.

She'll make you take your clothes off and go dancing in the rain.
She'll make you live her crazy life but she'll take away your pain
Like a bullet to your brain

Upside, inside out, she's living la vida loca
She'll push and pull you down, she's living la vida loca
Her lips are devil red and her skin's the color mocha
She will wear you out, living la vida loca

Living la vida loca, she's living la vida loca

Woke up in New York City
In a funky cheap hotel
She took my heart and she took my money
She must have slipped me a sleeping pill.

She never drinks the water makes you order French Champagne
And once you've had a taste of her you'll never be the same
And she'll make you go insane

35 - Viva la Vida

(Chris Martin)

[Coldplay]

I used to rule the world
Seas would rise when I gave the word
Now in the morning and I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
"Now the old king is dead! Long live the king!"

One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason I can't explain
Once you go there was never
(I know Saint Peter won't call my name)
Never an honest word
That was when I ruled the world

It was the wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become

Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

36 - Não Quero Dinheiro

[Tim Maia]

(Tim Maia)

Vou pedir pra você voltar
Vou pedir pra você gostar
Eu te amo
Eu te quero bem
Vou pedir pra você gostar
Vou pedir pra você me amar
Eu te amo
Eu te adoro meu amor

A semana inteira fiquei esperando
Pra te ver sorrindo, pra te ver cantando
Quando a gente ama não pensa em dinheiro
Só se quer amar, se quer amar, se quer amar
De jeito e maneira
Não quero dinheiro
Quero amor sincero
É isso que eu espero
Digo ao mundo inteiro
Não quero dinheiro
Eu só quero amar, só quero amar, só quero amar

Espero para ver se você vem
Não te troco nessa vida por ninguém
Porque eu te amo
Eu te quero bem
Acontece que na vida a gente tem
Que ser feliz por ser amado por alguém
Porque eu te amo
Eu te adoro, meu amor

37c - MEDLEY - YMCA

[Village People]

"Young Men Christian Association"

(Jacques Morali, Henri Belolo & Victor Willis)

Young man, there's no need to feel down (I said)
Young man, pick your self off the ground (I said)
Young man, 'cause you're in a new town there's no need to be unhappy
Young man, there's a place you can go (I said)
Young man, when you're short on your dough, you can
Stay there, and I'm sure you will find many ways to have a good time.

It's fun to stay at the YMCA, it's fun to stay at the YMCA
They have everything for young men to enjoy.
You can hang out with all the boys.
It's fun to stay at the YMCA, it's fun to stay at the YMCA
You can get yourself clean, you can have a good meal
You can do whatever you feel.

Young man, are you listening to me? (I said)
Young man, what do you want to be? (I said)
Young man, you can make real your dreams,
But you've got to know this one thing.
No man, does it all by himself. (I said)
Young man, put your pride on the shelf and just
Go there, to the YMCA! I'm sure they can help you today

Young Man, I was once in your shoes. I said
I was down and out with the blues. I felt
No man cared if I were alive, I felt the whole world was so jive
That's when someone came up to me and said:
Young man, take a walk up the street, there's a
Place there called the YMCA, they can start you back on your way.

It's fun to stay at the YMCA, it's fun to stay at the YMCA
They have everything for young men to enjoy.
You can hang out with all the boys.
YMCA! It's fun to stay at the YMCA, it's fun to stay at the YMCA
Young man, Young man, there's no need to feel down
Young man, Young man, pick yourself off the ground

Just go to the YMCA
Young Man, Young Man, I was once in your shoes,
Young Man, Young Man, I was out with the blues

37d - MEDLEY - It's Raining Men [Weather Girls]

*Hi — Hi! — We're your Weather Girls — Ah-huh
And have we got news for you — You better listen!
Get ready, all you lonely girls and leave those umbrellas at home. — Alright!*

Humidity is rising — Barometer's getting low
According to all sources, the street's the place to go
Cause tonight for the first time, just about half-past ten
For the first time in history it's gonna start raining men.

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
I'm gonna go out to run and let myself get
Absolutely soaking wet!
It's Raining Men! Hallelujah!
It's Raining Men! Every Specimen!
Tall, blonde, dark and lean
Rough and tough and strong and mean

God bless Mother Nature, she's a single woman too
She took off to heaven and she did what she had to do
She taught every angel to rearrange the sky
So that each and every woman could find her perfect guy

It's Raining Men! Hallelujah!
It's Raining Men! Amen!
(2X)

I feel stormy weather moving in (about to begin)
Hear the thunder, don't you lose your head
Rip off the roof and stay in bed

38a - MIX-Regis - A Raposa e as Uvas[Reginaldo Rossi]

(Reginaldo Rossi)

Lembro com muita saudade daquele bailinho, quando a gente dançava bem agarradinho, onde a gente ia mesmo é prá se abraçar, Você com laquê no cabelo e um vestido rodado, e aquelas anáguas com tantos babados, e você se sentava só prá me mostrar

E tudo o que a gente transava eram três, quatro cubas
Eu era a raposa e você era as uvas, eu sempre querendo teu beijo roubar
E por mais que você se esquivasse, eu tinha certeza que no fim do baile, na minha lambreta, aquele broto bonito ia me abraçar

Quando a orquestra tocava "Besame mucho", eu lhe apertava e olhava seu busto, dentro do corpete querendo pular
Eu todo cheiroso à "lancaster" e você à "chanel", eu era menino, mas fazia o papel do homem terrível só prá lhe guardar

E tudo o que a gente transava eram três, quatro cubas
Eu era a raposa e você era as uvas, eu sempre querendo teu beijo roubar
E por mais que você se esquivasse, eu tinha certeza que no fim do baile, na minha lambreta, contente pra casa eu ia te levar

E ao chegar em tua casa, em frente ao portão, um beijo, um abraço, minha mão, tua mão, com medo que o velho pudesse acordar
A pílula já existia, mas nem se falava, nos muitos conselhos que tua mãe te dava, tinha um que dizia : "só depois de casar"

E tudo o que a gente transava eram três, quatro cubas
Eu era a raposa e você era as uvas, eu sempre querendo teu beijo roubar
E por mais que você se esquivasse, eu tinha certeza que no fim do baile, na minha lambreta, aquele corpo bonito ia me abraçar

[2x]

38b MIX-Regis - Mon Amour, Meu Bem, Ma Femme

[Reginaldo Rossi]

(Reginaldo Rossi)

Nesse corpo meigo e tão pequeno
Há uma espécie de veneno
Bem gostoso de provar

Como pode haver tanto desejo
Nos seus olhos, nos seus beijos
No seu jeito de abraçar

E foi com isso que você me conquistou
Com esse jeito de menina
E esse gosto de mulher

E nada existe em você que eu não ame
Sou metade sem você
Mon Amour Meu Bem Ma Femme
[3X na última]

39a - Turbilhao

(???)

[Moacir Franco]

A nossa vida é um carnaval,
A gente brinca escondendo a dor,
E a fantasia do meu ideal,
É você meu amor.

Sopraram cinzas no meu coração,
Tocou silêncio em todos os clarins,
Caiu a máscara da ilusão,
Dos pierrôs e arlequins...

Vê, colombinas azuis a sorrir, lalaiá...
Vê, serpentinas na luz reluzir.
Vê, os confetes do pranto no olhar.
Desses palhaços dançando ao luar.

Vê, multidão colorida a gritar. larara...
Vê, turbilhão dessa vida passar.
Vê, os delírios dos gritos de amor,
nesta orgia de sol e de dor,

La, la la ia lá, lalaiá
La, la la la lá, lalaiá
La, la la la lá, lalaiá

39b - Frevo do Galo

(Paulo Fernando Gama)

[Almir Rouche]

Acorda Recife, acorda

Que já é hora de estar de pé

Levanta, o carnaval começou

No bairro de São José

[2X]

Vem, vem menina

Vem conhecer o Galo da Madrugada

O Galo vai desfilando com beleza e harmonia

E o Enéas comandando

E mostrando a alegria de um carnaval

Que basta brincar um dia

Vem, vem menina

Vem conhecer o Galo da Madrugada

Se você desfilar este ano

Nunca mais vai esquecer da Padre Floriano

E no bairro de São José

O Galo é quem vai cantar

O Galo é quem vai mandar

39c - Evocação nº1

(Nelson Ferreira)

Felinto... Pedro Salgado...

Guilherme...Fenelon...

Cadê teus Blocos famosos?

Bloco das Flores... Andaluzas...

Pirilampos... Após Fum...

Dos carnavais saudosos!

[2X]

Na alta madrugada

O coro entoava

Do bloco a marcha-regresso

Que era o sucesso

Dos tempos ideais

Do velho Raul Moraes

Adeus, adeus, minha gente

Que já cantamos bastante...

E Recife adormecida

Ficava a sonhar

Ao som da triste melodia...

39d - Último Regresso

(Getúlio Cavalcanti)

[Almir Rouche]

Falam tanto que meu bloco está,
Dando adeus pra nunca mais sair.
E depois que ele desfilar,
Do seu povo vai se despedir.
Do regresso de não mais voltar,
Suas pastoras vão pedir:

Não deixem não, que o bloco campeão,
Guarde no peito a dor de não cantar.
Um bloco a mais é um sonho que se faz
Os pastoris da vida singular.

É lindo ver o dia amanhecer,
Ouvir ao longe (*com violões e*) pastorinhas mil,
Dizendo bem, que no Recife tem,
O carnaval melhor do meu Brasil

39e - Madeira Que Cupim Não Rói

(Capiba)

Madeira do Rosarinho

Vem à cidade sua fama mostrar

E traz com seu pessoal

Seu estandarte tão original

Não vem prá fazer barulho

Vem só dizer, e com satisfação,

Queiram ou não queiram os juízes

O nosso bloco é de fato campeão

E se aqui estamos,

Cantando esta canção

Vimos defender

A nossa tradição

E dizer bem alto que a injustiça dói

Nós somos Madeira de lei

Que cupim não rói

40 - The greatest love of all

[George Benson-Whitney Houston]

I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride
To make it easier
Let the children's laughter
Remind us how we used to be

Everybody's searching for a hero
People need someone to look up to
I never found anyone who fulfilled my needs
A lonely place to be
And so I learned to depend on me

I decided long ago
Never to walk in anyone's shadow
If I fail, if I succeed
At least I've lived as I believe
No matter what they take from me
They can't away my dignity
 Because the greatest love of all
 Is happening to me
 I found the greatest love of all
 Inside of me
 The greatest love of all
 Is easy to achieve
 Learning to love your self
 It is the greatest love of all

And if by chance that special place
That you've been dreaming of
Leads you to a lonely place
Find your strength in love

41 - Endless Love

from the motion picture "Endless Love"

(Lionel Richie)

My love, there's only you in my life
The only thing that's bright
My first love, you're every breath that I take
You're every step I make
And I, (I...) I want to share
All my love with you
No one else will do...
And your eyes (your eyes, your eyes),
They tell me how much you care
Ooh! Yes, you will always be my endless love.

Two hearts, two hearts that beat as one,
Our lives have just begun.
Forever (Ohhhhhh)
I'll hold you close in my arms,
I can't resist your charms.
And love (oh, love),
I'll be a fool for you, I'm sure;
You know I don't mind (oh, you know I don't mind),
'Cause you, you mean the world to me,
Oh, I know, (I know)
I've found in you my endless love.

Oooh, and love (oh, love),
I'll be that fool for you, I'm sure;
You know I don't mind (oh, you know), I don't mind,
And, YES, You'll be the only one,
'Cause NO one can deny
This love I have inside
And I'll give it all to you.
My love (my love, my love),
My endless love.

42 - Beauty and the Beast

(Howard Ashman – Alan Menken)

[Celine Dion-Peabo Bryson]

Tale as old as time
True as it can be
Barely even friends
Then somebody bends
Unexpectedly.

Just a little change
Small to say the least
Both a little scared
Neither one prepared
Beauty and the Beast.

Ever just the same, ever a surprise
Ever as before, and ever just as sure
As the sun will rise.

Ever just the same, ever a surprise
Ever as before, ever just as sure
As the sun will rise.

Tale as old as time
Tune as old as song
Bittersweet and strange
Finding you can change
Learning you were wrong.

Certain as the sun, certain as the sun
Rising in the east
Tale as old as time
Song as old as rhyme
Beauty and the Beast.

Tale as old as time
Song as old as rhyme
Beauty and the Beast.

43 - Can You Feel The Love Tonight

[Elton John]

(Elton John / Tim Rice)

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment, and it sees me through
It's enough for this restless warrior just to be with you

And can you feel the love tonight
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

There's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours

44 - Your song

(Elton John/Bernie Taupin)

[Elton John]

It's a little bit funny this feeling inside,
I'm not one of those who can easily hide,
I don't have much money, but boy if I did,
I'd buy a big house where we both could live.

If I was a sculptor, but then again no,
Or a man who makes potions in a traveling show,
I know it's not much but it's the best I can do.
My gift is my song and this one's for you.

And you can tell everybody
This is your song.
It may be quite simple, but
Now that it's done,
I hope you don't mind, (2X)
That I put down in words
How wonderful life is
While you're in the world.

I sat on the roof and kicked off the moss, well a few
Of the verses, well they've got me quite cross,
But the sun's been quite kind while I wrote this song.
It's for people like you that keep it turned on.

So excuse me forgetting but these things I do
You see I've forgotten if they're green or they're blue
Anyway, the thing is: what I really mean
Yours are the sweetest eyes I've ever seen.

45 - A Thousand Years

(Hodges, David / Perri, Christina)

[Cristina Perri]

Heart beats fast
Colors and promises
How to be brave
How can I love when I'm afraid
To fall
But watching you stand alone
All of my doubt
Suddenly goes away somehow
 One step closer

 I have died every day waiting for you
 Darlin' don't be afraid I have loved you
 For a Thousand years
 I'll love you for a thousand more

Time stands still
Beauty in all she is
I will be brave
I will not let anything
Take away
What's standing in front of me
Every breath,
Every hour has come to this
 One step closer

 And all along I believed I would find you
 Time has brought your heart to me
 I have loved you for a thousand years
 I'll love you for a thousand more

 One step closer
 One step closer

46 - Emoções

(Roberto Carlos & Erasmo Carlos)

[Roberto Carlos]

Quando eu estou aqui eu vivo esse momento lindo
Olhando pra você e as mesmas emoções sentindo

São tantas já vividas
São momentos que eu não esqueci
Detalhes de uma vida
Histórias que eu contei aqui

Amigos eu ganhei, saudades eu senti, partindo
E às vezes eu deixei você me ver chorar, sorrindo

Sei tudo que o amor
É capaz de me dar
Eu sei já sofri
Mas não deixo de amar

Se chorei ou se sorri
O importante é que emoções eu vivi

São tantas já vividas
São momentos que eu não esqueci
Detalhes de uma vida
Histórias que eu contei aqui

Mas eu estou aqui, vivendo esse momento lindo
De frente pra você e as emoções se repetindo

Em paz com a vida
E o que ela me traz
Na fé que me faz
Otimista demais

Se chorei ou se sorri
O importante é que emoções eu vivi
[2X]

47 - El Día Que Me Quieras

(Carlos Gardel)

[Luis Miguel]

*Acaricia mi ensueño el suave murmullo de tu suspirar.
Como ríe la vida si tus ojos negros me quieren mirar.
Y si es mío el amparo de tu risa leve que es como un cantar,
Ella aquieta mi herida, todo, todo se olvida.*

El día que me quieras
la rosa que engalana,
se vestirá de fiesta
con su mejor color.
Y al viento las campanas
dirán que ya eres mía,
y locas las fontanas
se contarán su amor.

La noche que me quieras
desde el azul del cielo,
las estrellas celosas
nos mirarán pasar.
Y un rayo misterioso
hará nido en tu pelo,
luciernagas curiosas que verán
que eres mi consuelo.

*El día que me quieras no habrá más que armonía.
Será clara la aurora y alegre el manantial.
Traerá quieta la brisa rumor de melodía.
Y nos darán las fuentes su canto de cristal.*

*El día que me quieras endulzará sus cuerdas el pájaro cantor.
Florecerá la vida no existirá el dolor.*

(Alejandro Sanchez Pizarro)

[Alejandro Sanz]

F Gm7 C7

Tiritas pa' este corazón partío (pa' este corazón).

F Gm9 C7

Ya lo ves, que no hay dos sin tres,
que la vida va y viene y que no se detiene... y, qué se yo,
pero miénteme aunque sea, dime que algo queda
entre nosotros dos, que en tu habitación
nunca sale el sol, ni existe el tiempo, ni el dolor.
Llévame, si quieres a perder,
a ningún destino, sin ningún por qué.

Gm C
Am D4
D Gm7 C7sus4

Ya lo sé, que corazón que no ve
es corazón que no siente, o corazón que te miente amor.
Pero, sabes que en lo más profundo de mi alma
sigue aquel dolor por creer en ti,
¿qué fue de la ilusión y de lo bello que es vivir?
Para qué me curaste cuando estaba herío
si hoy me dejas de nuevo el corazón partío.

¿Quién me va a entregar sus emociones?
¿Quién me va a pedir que nunca le abandone?
¿Quién me tapará esta noche si hace frío?
¿Quién me va a curar el corazón partío?
¿Quién llenará de primaveras este enero,
Y bajará la luna para que juguemos?
Dime, si tú te vas, dime, cariño mío,
¿Quién me va a curar el corazón partío?

Tiritas pa' este corazón partío. (pa' este corazón partío)

Tiritas pa' este corazón partío. (corazón)

Dar solamente aquello que te sobra
nunca fue compartir, sino dar limosna, amor.
Si no lo sabes tú, te lo digo yo.
Después de la tormenta siempre llega la calma,
pero, sé que despues de ti,
después de ti no hay nada.
Para qué me curaste cuando estaba herío
si hoy me dejas de nuevo el corazón partío.

49 - Volare (Nel blu dipinto di blu)

(Domenico Modugno - Johnny Dorelly)

*Penso che un sogno così non ritorni mai più
Mi dipingevo le mani e la faccia di blu,
Poi d'improvviso venivo dal vento rapito
E incominciavo a volare nel cielo infinito...*

Volare... oh, oh!... Cantare... oh, oh, oh, oh!
Nel blu, dipinto di blu, felice di stare lassù

E volavo, volavo felice
Più in alto del sole ed ancora più su,
Mentre il mondo pian piano
Spariva lontano laggiù,
Una musica dolce suonava
Soltanto per me...

(Volare...)

*Ma tutti i sogni nell'alba svaniscono perché,
Quando tramonta, la luna li porta con sé
Ma io continuo a sognare
Negli occhi tuoi belli, che sono blu
Come un cielo trapunto di stelle*

Volare... oh, oh!... Cantare... oh, oh, oh, oh!
Nel blu, degli occhi tuoi blu, felice di stare quaggiù

E continuo a volare felice
Più in alto del sole ed ancora più su,
Mentre il mondo pian piano scompare
Negli occhi tuoi blu,
La tua voce è una musica dolce
Che suona per me...

(Volare...)

50a - Estrela do Mar

(Marino Pinto – Paulo Soledade)

[Dalva de Oliveira]

Um pequenino grão de areia
Que era um pobre sonhador
Olhando o céu, viu uma estrela
Imaginou coisas de amor

Passaram anos, muitos anos
Ela no céu e ele no mar
Dizem que nunca o pobrezinho
Pôde com ela encontrar

Se houve, ou se não houve,
Alguma coisa entre eles dois
Ninguém soube até hoje explicar
O que há de verdade é que depois, muito depois
Apareceu a estrela do mar

50b - As Pastorinhas

A Estrela Dalva no Céu desponta
E a Lua anda tonta com tamanho esplendor
E as Pastorinhas pra consolo da Lua
Vão cantando na rua lindos versos de Amor

Linda Pastora, morena da cor de Madalena
Tu não tens pena de mim
Que vivo tonto com o teu olhar

Linda criança, tu não me saís da lembrança
Meu coração não se cansa
De sempre, sempre te amar

50c - Bandeira branca

(Laércio Alves/Max Nunes)

Bandeira branca, amor

Não posso mais.

Pela saudade

Que me invade

Eu peço paz.

Saudade, mal de amor, de amor

Saudade, dor que dói demais

Vem, meu amor

Bandeira branca eu peço paz

51 - Noite do Prazer

(Cláudio Zolli)

[Claudio Zolli]

A noite vai ser boa
De tudo vai rolar... (vai rolar)
De certo que as pessoas devem se conhecer
Se olham e se beijam numa festa genial

Na madrugada vitrola rolando um blues
Tocando B.B King sem parar
Sinto por dentro uma força vibrando uma luz
A energia que emana de todo prazer

Prazer estar contigo...
Um brinde ao destino
Será que o meu signo tem haver com o seu?!
Vem ficar comigo depois que a festa acabar.

(Refrão)

52 - IMAGINE

(John Lennon)

Imagine there's no heaven, it's easy if you try

No hell below us, above us only sky

Imagine all the people

Living for today

Imagine there's no countries, it isn't hard to do

Nothing to kill or die for and no religion too

Imagine all the people

Living life in peace (you)

You may say, I'm a dreamer

But I'm not only one

I hope, some day, you'll join us

And the world will live as one

Imagine no possessions, I wonder if you can

No need for greed or hunger, a Brother hood of man

Imagine all the people

Sharing all the world (you)

You may say, I'm a dreamer

But I'm not only one

I hope, some day, you'll join us

And the world will live as one

53 - Time To Say Goodbye

[Andrea Bocelli]

(Con te partirò)

(E.Santori – L. Quarantotto)

Quando sono solo sogno all'orizzonte e mancan le parole
Sì lo so che non c'è luce in una stanza quando manca il sole
Se non ci sei tu con me, con me
Sulle finestre mostra a tutti il mio cuore che hai acceso
Chiudi dentro me la luce che hai incontrato per strada

Time to say goodbye

Paesi che non ho mai

Veduto e vissuto con te adesso sì li vivrò

Con te partirò

Su navi per mari che io lo so, no, no, non esistono più,

It's time to say goodbye (con te io li rivivrò)

Quando sei lontana sogno all'orizzonte e mancan le parole

E io sì lo so che sei con me, con me

Tu, mia luna, tu sei qui con me

Mio sole, tu sei qui con me, con me, con me, con me

Io con te...

54 - Io che amo solo te

(Sergio Endrigo)

C'è gente che ha avuto mille cose
tutto il bene tutto il male del mondo
Io ho avuto solo te
E non ti perderò
non ti lascerò
per cercare nuove avventure

C'è gente che ama mille cose
e si perde per le strade del mondo
Io che amo solo te
Io mi fermerò
e ti regalerò
quel che resta della mia gioventù

Io ho avuto solo te
E non ti perderò
Non ti lascerò
Per cercare nuove illusioni

C'è gente che ama mille cose
e si perde per le strade del mondo
Io che amo solo te
Io mi fermerò
e ti regalerò
quel che resta della mia gioventù

55 - Per Amore

(Mariella Nava)

[Andrea Boccelli]

Io conosco la tua strada ogni passo che farai
Le tue ansie chiuse e i vuoti sassi che allontanerai
Senza mai pensare che come roccia io ritorno in te...

Io conosco i tuoi respiri tutto quello che non vuoi
Lo sai bene che non vivi riconoscerlo non puoi
E sarebbe come se questo cielo in fiamme
Ricadesse in me come scena su un attore...

Per amore hai mai fatto niente solo
Per amore hai sfidato il vento e urlato mai
Diviso il cuore stesso pagato e riscommesso
Dietro a questa mania che resta solo mia

Per amore hai mai corso senza fiato
Per amore perso e ricominciato
E devi dirlo adesso quanto di te ci hai messo
Quanto hai creduto tu in questa bugia

E sarebbe come se questo fiume in piena
Risalisse a me, come china al suo pittore...

Per amore hai mai speso tutto quanto
La ragione il tuo orgoglio fino al pianto lo sai stasera resto
Non ho nessun pretesto soltanto una mania
Che resta forte e mia dentro quest'anima che strappi via

E te lo dico adesso, sincero con me stesso
Quanto mi costa non saperti mia

E sarebbe come se tutto questo mare annegasse in me...

56 - Se (if) – Cinema Paradiso

(???)

[Andrea Bocelli]

Se tu fossi nei miei occhi per un giorno
Vedresti la bellezza che piena d'allegria
Io trovo dentro gli occhi tuoi
E ignoro se è magia o realtà

Se tu fossi nel mio cuore per un giorno
Potresti avere un'idea di ciò che sento io
Quando mi abbracci forte a te
E petto a petto, noi respiriamo insieme

Protagonista del tuo amor
Non so se sia magia o realtà

Se tu fossi nella mia anima un giorno
Sapresti cosa sento in me che m'innamorerai
Da quell'istante insieme a te
E ciò che provo è solamente amore

Da quell'istante insieme a te
E ciò che provo è solamente amore

57 - In Your Eyes

[George Benson]

(???)

I think I finally know you
I can see beyond your smile
I think that I can show you
That what we have is still worthwhile
Don't you know that love's just like the thread?
That keeps unravelling but then
It ties us back together in the end

In your eyes, I can see my dream's reflections
In your eyes, found the answers to my questions
In your eyes, I can see the reasons why our love's alive
In your eyes, we're drifting safely back to shore
And I think I've finally learned to love you more

You warned me that life changes
That no one really knows
Whether time would make us strangers
Or whether time would make us grow
Even though the winds of time will change
In a world where nothing stays the same
Through it all our love will still remain

[Chorus]

In your eyes, I can see the reasons why our love's alive
In your eyes, we're drifting safely back to shore
And I think I've finally learned to love you more
ooooohhhhhh

58 - I Will Always Love you

[Whitney Houston]

If I should stay,
I would only be in your way,
So, I'll go,
But I know,
I'll think of you,
Every step of the way,
 And I will always love you, I will always love you...

You, my darling, you,
Bitter sweet,
Memories,
That is all I'm taking with me,
So good bye,
Please don't cry,
We both know I'm not what you need,
 And I will always love you, I will always love you...

I hope // life treats you kind,
And I hope you have all you dreamed of,
And I wishing you joy and happiness,
But above all this,
I'm wishing you love,
 And I will always love you, I will always love you... (4X)

Darling, I love you,
I will always,
I will always,
Love you

59 - Nothing's gonna change my love

[G.Benson]

(???)

If I had to live my life without you near me
The days would all be empty
The nights would seem so long
With you I see forever, oh, so clearly
I might have been in love before
But it never felt this strong

Our dreams are young and we both know
They'll take us where we want to go
Hold me now, touch me now
I don't want to live without you

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love

Nothing's gonna change my love for you
You oughta know by now how much I love you
The world may change my whole life through
But nothing's gonna change my love for you

If the road ahead is not so easy
Our love will lead the way for us
Like a guiding star
I'll be there for you if you should need me
You don't have to change a thing
I love you just the way you are

So come with me and share the view
I'll help you see forever too
Hold me now, touch me now
I don't want to live without you

60 - Manhã de Carnaval

(Antonio Maria—Luiz Bonfá)

Manhã tão bonita manhã
Na vida uma nova canção
Cantando só teus olhos,
Teu riso, e tuas mãos
Pois há de haver um dia
em que virás

Das cordas do meu violão
que só teu amor procurou
Vem uma voz
falar dos beijos
perdidos nos lábios teus

Canta o meu coração
alegria voltou, tão feliz
a manhã deste amor
